

OVER 35 YEARS OF CELEBRATING EXCELLENCE

**Enjoy sustained growth through
intelligent business automation.**

WHY CHOOSE LORGE?

In today's business world, companies need to extract optimal value from their software. Lorge keenly understands the dynamics of automated processing. We undertake to keep you operating with precise, seamless and refined integration across a full spectrum of business processes. Over the last 35 years, the consistency of our expertise in business systems has earned us an award-winning reputation. Today, we're the most trusted name in the implementation, support and training of software automation products.

Here are some core reasons why Lorge is your trusted business partner:

- Established in 1986
- Implemented over 10 000 users across numerous industries
- More than 30% of Lorge's clients are listed on the JSE
- Service provider for more than 250 companies
- Highly skilled, product-certified consultants
- Winner of multiple awards
- Dedicated Client Care Centre
- Dedicated Training Professionals

HOW DO WE DO IT?

Our reputation for outstanding services in business and financial software implementations and support took significant time and effort to develop. The consistent and consecutive awards that Lorge receives are testimony to the level and depth of skills and expertise that the company sustains. We continually strive to produce the best possible business solutions for our increasingly wide customer base across multiple business, commercial and industrial sectors. Our objective remains to design and develop software system solutions and services that cost-effectively meet the needs of each customer.

We offer a wide range of integrated services:

- Requirements Catalogue / Analysis
- Implementation
- Integration to bespoke systems
- System design and configuration
- Design customised reports
- Project management
- Formal training and hand-holding
- Application modifications
- IT infrastructure

CLIENT'S WE'VE SERVED

WHAT IS THE LORGE EXPERIENCE?

"We evaluated numerous leading-edge solutions before agreeing that the ease of use, agility, and functionality offered by Sage X3 made it perfect for our needs. It gave us the ideal platform which was in line with our strategy."
